PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION

Sir:

Applicants respectfully request that the holding of abandonment in this application be withdrawn.

The undersigned received a telephone call from Examiner Sonya Wright of the United States Patent and Trademark Office ("USPTO") on October 14, 2002, informing the undersigned that the above-referenced application was considered abandoned for failure to respond to an April 4, 2002 Office Action within the six-month statutory period for reply, up to and including October 4, 2002. The undersigned informed Examiner Wright that the April 4, 2002 Office Action was never received.

It is the practice of Fish and Neave that all correspondence from the USPTO,

EV133108935US

whether addressed to Fish & Neave or to an individual attorney/agent at the firm, is received by the Fish & Neave mail room and is hand carried directly to the Fish and Neave Patent Department ("the Patent Department") without being opened. The Patent Department stamps the paper with the date of receipt, and pulls the patent prosecution file folder for that particular application. The front cover of the file folder is then annotated to indicate the type of document received, the date of receipt (or the date of mailing, as appropriate). The same information, along with the docketing of the due date, is also entered into PC MASTER™, a patent docketing software package, used by Fish and Neave to automate docketing and tracking of patent prosecution matters. Finally, the paper is hand carried to the attorney/agent responsible for the case.

A true copy of the face of the file folder for the above-identified application is attached hereto as Exhibit A. A true copy of the screen printout of the file history of the above-identified application from the Fish & Neave PC MASTER™ docketing system is attached hereto as Exhibit B. A redacted docket report with partial application numbers showing all Official communications received from the USPTO with the mailing date between March 4, 2002, one month prior to the mailing date of the nonreceived Office Action, and May 3, 2002, one month after the mailing date of the nonreceived Office Action, is attached hereto as Exhibit C.

Thus, the absence of a listing for the April 4, 2002 Office Action in any of the docket records attached as Exhibits A, B and C indicates that it was never received by the undersigned.

Examiner Wright recommended that the undersigned file a petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action under 37 C.F.R. 1.181. Accordingly, applicants have promptly filed this Petition.

Based on the facts above, applicants respectfully request that this Petition be granted and that the holding of abandonment be withdrawn.

Applicants believe no fee is required in connection with this Petition due to the fact that the April 4, 2002 Office Action was never received by the undersigned. However, the Director is hereby authorized to charge any fee that may be due in connection with this Petition to Deposit Account No 06-1075. A duplicate copy of this Petition is enclosed herewith.

Respectfully submitted,
